Introduction

The RBC Future Launch Community Challenge is a call to action for youth, aged 15 - 29, in over 150 small and mid-sized communities across Canada. In each participating community, youth and partner organizations will have an opportunity to apply for a grant to support a youth-led project that addresses one central question:

What is your boldest idea to respond to an urgent local need?

This Applicant Guide contains all the information that youth and partner organizations will need to apply to the RBC Future Launch Community Challenge. See the Addendum for a sample application form and a final ‘Readiness Checklist’ to make sure you’re ready to apply.

CAN PROJECTS IN MY COMMUNITY APPLY FOR FUNDING?

The RBC Future Launch Community Challenge is hosted by participating community foundations in over 150 small and mid-sized communities with fewer than 150,000 residents.

Visit communityfoundations.ca for a list of participating community foundations and eligible communities.

WHO CAN APPLY FOR A GRANT?

Youth and organizations are invited to team up to submit an application to the RBC Future Launch Community Challenge. All eligible applications will be submitted by a partnership between youth, aged 15 - 29, and a partner organization that is a qualified donee*.

Applications may be submitted by youth or by the partner organization. Each application will be required to demonstrate the role played by both youth and the partner organization. Each grant will be made to the partner organization, who would accept it on behalf of the partnership.

*A note on partner organizations (qualified donees)

All partner organizations must be ‘qualified donees’, which is a specific category of registration with the Canada Revenue Agency. Qualified donees include registered charities, many municipalities and First Nations, and a range of other organizations. Check the charities listing and list of other qualified donees to identify potential local partners.

WHAT IS THE VALUE OF THE GRANTS?

Grants of up to $15,000 are available through the RBC Future Launch Community Challenge.

Connect with your community foundation to learn more about the grants available in your community.

WHAT PROJECTS ARE ELIGIBLE?

The RBC Future Launch Community Challenge will consider funding requests from youth-led projects that respond to an urgent local need in a participating community.

When developing project ideas, applicants are encouraged to experiment with new ideas and to build relationships between community members.
**What does ‘youth-led’ mean?**
To be considered eligible, youth, aged 15-29, will lead the creation, design, and/or implementation of the project. As a guide, eligible projects will see the majority of the decisions and activities for each project (60%+) led by youth.

**What is an ‘urgent local need’?**
Canadian communities are as diverse as young people themselves -- and community members have the best sense of what’s needed locally. Projects may focus on a wide diversity of local priorities, which could include:

- The environment
- Food security
- Employment
- Learning
- Health
- Wellness
- Inclusion
- Belonging
- Reconciliation and restoration
- Other community priorities

Connect with your community foundation to learn more about local priorities in your community.

**Ineligible projects**
Please note that the following projects are ineligible for funding:

- Infrastructure or capital-only projects (ie. construction, a building, buying a vehicle);
- Major capital purchases (over $2,000 per purchase);
- Ongoing programming or recurrent events (unless the proposed project is significantly different from regular programming);
- Advertising or promotional campaigns (exclusively);
- Travel-related events, including student trips or tours (exclusively);
- Events involving ticket-sales or fundraising;
- Awards or prizes;
- Projects that have already received funding from RBC or the RBC Foundation for the same activity*

*Organizations that have received funding from RBC and the RBC Foundation are eligible to apply, as long as the Challenge application is for activities that are distinct from previous funding.
WHAT EXPENDITURES ARE ELIGIBLE?

Grants from the RBC Future Launch Community Challenge can be used to cover reasonable expenditures to carry out a project, for example:

- Equipment rental;
- Food, transportation, or other logistical costs;
- Purchase of materials necessary for the project (below $2,000 per expense);
- Reasonable salaries, professional fees or other HR costs associated with project activities.

Please be aware that the following expenditures are ineligible:

- Expenditures made before the signing of the grant agreement (November 2019)
- Infrastructure or large capital expenses (above $2,000 per expense)

WHEN CAN ELIGIBLE PROJECTS TAKE PLACE?

Projects funded by the RBC Future Launch Community Challenge may take place between November 2019 and August 2020.

HOW WILL APPLICATIONS BE EVALUATED?

Applications will be evaluated by local community foundations. Decisions will be made based on the extent that the proposed projects:

- Involve youth in the creation, design, and/or implementation of the initiative;
- Respond to a specific need or priority facing the local community;
- Are inclusive of diverse community members, as broadly defined;
- Involve collaboration between community members;
- Experiment with new or innovative ideas;
- Have the potential for a legacy or impact beyond the grant from the RBC Future Launch Community Challenge

Connect with your local community foundation to learn more about how the Challenge will be available in your community.
WHEN CAN WE APPLY?

Participating community foundations will accept applications from May 22 to September 18, 2019.

WHEN WILL DECISIONS BE MADE?

Grant announcements will be made at the beginning of November, 2019.

HOW CAN WE LEARN MORE?

Contact your local community foundation for more information about how the RBC Future Launch Community Challenge will be available in your community. The full list of participating community foundations is available at communityfoundations.ca.
