

## **RBC Future Launch Community Challenge: Participating community foundations and communities**

The RBC Future Launch Community Challenge is a call to action for youth, aged 15 - 29, in more than 150 small and mid-sized communities across Canada. The Challenge focuses on communities with fewer than 150,000 residents.

The following list highlights the community foundations that are participating in the RBC Future Launch Community Challenge, as well as the specific communities where they will accept applications. Youth in these communities are encouraged to team up with a partner organization (qualified donee) to submit an application by September 18, 2019.

# **About RBC Future Launch Community Challenge**

The RBC Future Launch Community Challenge will be hosted by Community Foundations of Canada and participating community foundations, and is made possible thanks to a \$5M donation from RBC Foundation. It is part of RBC Future Launch, a commitment by RBC and the RBC Foundation to empower Canadian youth for the jobs of tomorrow. Over the next 10 years, RBC Future Launch is dedicating \$500 million to help young people access meaningful employment through practical work experience, skills development opportunities, networking solutions and mental well-being supports and services.
